

Aqua Gem

Aqua Blast

AQUA SERIES FRACTIONAL AERATOR

- » Aqua Series comes standard with two patterns; the Aqua Gem and Aqua Blast.
- » Most energy efficient system in the industry.
- » 2 year all-inclusive warranty.
- » 1/4HP units operate in 13in of water, 1/2HP units operate in 14in of water.
- » Complete package includes assembled unit, power control center with timer & gfci (no PCC for 50Hz), and cable. (1/4HP includes 50ft of cable, 1/2HP includes 100ft of cable.)
- » Safety tested and listed with ETL & ETL-C, conforming to UL standards; and carries a 3rd party listing with CE.
- » Effectively controls algae, aquatic weeds, and foul odors; while deterring insects and insect breeding.
- » Published results from 3rd party testing verify highest oxygen transfer and pumping rates in the industry.

Product specifications and CADs can be found online through www.otterbine.com or www.caddetails.com.

PRODUCT ILLUSTRATION

1. Includes two easy to change corrosion resistant impellers/patterns.
2. Low visibility black float is constructed of high quality polyethylene shell and filled with closed cell foam.
3. Protective pockets are molded into the float to 'snap in' light fixtures eliminating the need for brackets.
4. Maintenance free, corrosion resistant marine grade aluminum motor housing with black powder coating houses a sealed oil-cooled 3250/2700RPM motor.

The Aqua Series Deluxe features a 2-light MR16 low voltage light set. 1/4HP units operate in 13in of water, 1/2HP units operate in 14in of water.
